BRIDGE CONSTRUCTION AND DEMOLITION

HOCKING RIVER

CONSTRUCTION AT MILE 3.8, DEMOLITION AT MILE 5.3

Notice is given that on or about 7 March 2006, C. J. Mahan Construction Company, will commence bridge construction over the Hocking River, mile 3.8. Ninety days subsequent to the opening of the new bridge at mile 3.8, demolition of the existing bridge will be complete at mile 5.3.

The contractor's fleet will consist of the M/V BUILDER 1, one barge mounted crane and one material barge. The M/V BUILDER 1 will be monitoring marine channels 13 and 16. Work will be performed Monday through Saturday from 7:00 a.m. until 7:00 p.m. The anticipated completion date is 31 December 2006. All floating plant will be moored at the work site during non-working hours and will be lighted according to regulations.

During the bridge construction/demolition activities, the portion of the Hocking River adjacent to the work site will be closed to navigation. Mariners are urged to avoid these areas until this work is complete.

ARLIE D. BISHOP
Chief, Technical Support Branch
